

Dear Parents and Guardians,

### **COVID-19 UPDATE**

We would just like to send reassurance that we are following Government guidance to ensure all our camps and clubs are as safe as possible. We are monitoring any new guidelines and keeping all our staff and teachers aware of the situation. In every school we hold camps and clubs we follow each school's policy.

We are capping numbers in each camp to ensure we can comply with strict health regimes and so we suggest booking early to avoid disappointment. With less travel options over the Easter holidays we are expecting high numbers of bookings - but these can be accommodated safely across our venues.

#### **What we are doing:**

- Monitoring Government educational guidance to ensure we are prepared and reacting appropriately
- Promoting excellent hygiene
- Ensuring our teachers report visits to any of the restricted countries (currently mainland China, Hong Kong, Singapore, Japan, Iran, South Korea and Italy) and self-isolate appropriately
- Being as vigilant as possible of any health issues within our workplace and all the schools we work with

#### **At camps:**

- All camps have plenty of hand sanitiser - we wipe surfaces and handles and we encourage hand washing - thoroughly and often
- All parents and carers will be contacted before camp with triage questions about recent travel and their child's health
- All children arriving at camp will have a temperature test and be asked to wash their hands
- Anyone feeling unwell should tell the teacher immediately

#### **As a parent we suggest:**

- Keep good hygiene at the forefront and please do not allow your children to join any classes or camps should they show any flu like symptoms
- Report any cold and flu like symptoms - get advice from NHS 111

#### **Cancellations:**

- If we, a venue cancels due to the Covid-19 or due to government action, we will move your booking to another convenient camp or offer full credit valid for 12 months
- If you require any further information, please do not hesitate to contact us on 0800 092 1062

Best wishes and thank you,  
Your Little House of Science Team
